Leader is on Leader code, the star shows it. Leader is speaking shown by the data bubble.

Click Red X to Kick disruptive member off the call

You can mute an individual by double clicking the green bar

Green bars unmuted

The red bar with the star is a number muted on the leader code

This is what the 2nd level MONITOR (the system Your voted Monitor) would see. They see 6 or 7 digits of the phone number. They can mute individual lines by double clicking on the green bar. They can kick off a number by clicking the red X. They cannot block numbers.
